SEAL Request

I'm hereby requesting the courts to put a seal on my financial situation, due to the following. Information about my financial situation is being leaked on the internet, ~~not~~ by a lot of undesirable sites. For this reason, I would favor the courts to not make this info public record, such as numbers, non financial situation, I would prefer for this to be private information. I also simply request to make it private, not only for personal concerns, but for security reasons as well. I would thank the courts for their cooperation in this matter In ADVANCE.
